The Air You Breathe by Frances de Pontes Peebles The Air You Breathe by Frances de Pontes Peebles delivers a Brazilian historical tale that is rich in culture. It also features two women going against the present life to find something better for themselves. They go away from their community's expectations and soar higher than they can dream. Music, slavery, and unwavering friendship make this an interesting read. Frances de Pontes Peebles captures the time periods perfectly. Readers, like myself, will travel back in time to World War II era. Sign Up - Goodreads See what your friends are reading.
